Dear Papago Members,

We are looking forward to another exciting year for team golf in 2010-2011. In our 2009-2010 season, our team won 1st Place in both Valley and West Valley Leagues! Our Valley win was in the gross division, and our West Valley victory was for net, so obviously we can compete well in any format.

With the Arizona golf "season" concentrated into a few short months, it was necessary to schedule 4 dates where we need to field teams for both leagues-- that is, we'll need to send 18 players to compete on the following dates (all Mondays):

December 13, 2010

January 10, 2011

February 14, 2011

March 14, 2011

Whereas last season, we sent the lowest handicap players available to Valley team, this year, we'd like everyone to play in both leagues. For those dates with two matches, the teams will be selected alternately from the list according to handicaps: so players 1,3,5,7,9,11,13,15,17,18 will play Valley, and 2,4,6,8,10,12,14,16 will play West Valley. Next match, those players would be switched. Of course accommodations will be made for team members who cannot compete for us in one or the other league, e.g. Iris, Wendy, and Rita.

For our Valley Team win, we received the perpetual trophy, which is a plaque with engraved plates containing the names of winning team by year. For our West Valley victory, we received 40% of the total money collected (\$3/player/match), or \$230.40. We considered alternatives for spending the money: return it to the players proportionally to their participation; throw a party; donate to junior golf. We decided instead to contribute the full amount to the Papago WGA Memorial fund for a bench in honor of our sisters who have passed on.

We hope this message will encourage you all to re-up for the Papago WGA next season (\$60 by July 1), and to plan on joining the team. And if you know other golfers who might consider joining the Papago WGA, please pass this information to them as another benefit to membership.

The dates are listed below, and we would love to hear from you now if you can commit to playing any or all of them. Please feel free to email or call either of us captains if you have questions.

Your Team Co-Captains,
